FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Re *Progeny LMS, LLC Petition for Rulemaking to Amend Part 90 of the  
Commission's Rules Governing Location and Monitoring Service To  
Provide Greater Flexibility, RM-10403*

Oral ExParte Presentation

Dear Ms. Dortch

On Thursday, August 21, 2003, Janice Obuchowski, John Alden and James Chasia of Freedom Technologies, Inc., met on behalf of Progeny LMS, LLC ("Progeny") with Wireless Telecommunications Bureau Chief John Muleta regarding the above-captioned petition for rulemaking. The discussion covered Progeny's proposals, made in its petition for rulemaking and subsequent submissions in this docket, to amend the rules for location and monitoring service ("LMS") in the 902-928 megahertz band. It also covered issues involving current usage of the band by unlicensed devices under Part 15 of the Commission's rules, including technical means to ensure that efficient utilization of the 902-928 megahertz band is maximized.

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission.

Respectfully yours,

  
Joel Bernstein
